

LegitScript Addiction Treatment Certification Nonprofit Hardship Fee Waiver Application

Applicants for LegitScript's Drug and Alcohol Addiction Treatment Certification may be eligible for a waiver of certification fees if the following qualifications are met:

1. The applicant must be registered as a 501(c)3 non-profit in the US or a registered charity in Canada; and
2. The applicant's net assets must be less than \$150,000 USD. For US applicants, this must be shown by the most recent IRS Form 990, 990-N, 990-PF, or 990-EZ. For Canada applicants, this must be shown by the most recent Form T3010.

If both the above conditions are met, the applicant will be eligible for a hardship waiver. If granted, LegitScript will waive any certification fees for one year. Applicants receiving a fee waiver are not guaranteed to receive a fee waiver in any subsequent year(s). Not all qualifying applicants may receive the hardship fee waiver; a limited number of hardship fee waivers are available and will be granted on a first come, first served basis. Application fees still apply.
