

LegitScript Partner Program Overview

Personalized Pricing for Your Book of Business

From individual practitioners to the largest telehealth companies to direct-to-consumer weight loss drug prescribers, LegitScript certifies organizations of all sizes across the healthcare industry. What potential partners may not know is that we also offer partnership programs with customized pricing and savings based on their business. Here's an overview of our partnership offerings:

Partnership Type	Partner Profile	Partner Pricing Model
Enterprise Partnership	Any large company seeking LegitScript Certification, for itself and/or its affiliated businesses (clients)	Customized, bulk certification pricing per client. Enterprise clients can offer their customers discounted healthcare certification fees through their organization with a margin that is favorable to their bottom line.
RevShare Partnership	A payments company that is currently a LegitScript Merchant Monitoring and/or Onboarding solutions client seeking LegitScript Healthcare Certification solely for its merchants	<p>Each merchant a RevShare Partner refers will receive 50% off their application fee(s).</p> <p>The RevShare Partner will also receive a 10% service credit towards their Merchant Monitoring and/or Onboarding solutions towards their next invoice for each referral that achieves certification. Plus, the certification applicant will receive a priority application review.</p>

**Enterprise
RevShare
Partnership**

A payments company that is currently LegitScript Merchant Monitoring and/or Onboarding solutions client seeking LegitScript Healthcare Certification solely for its merchants and is also covering the costs of certification for all its affiliated businesses (clients)

Enterprise clients purchase application and healthcare certification credits in bulk, providing their customers with discounted fees. Plus, the enterprise client also receives a 10% service credit (up to \$10k) towards their Merchant Monitoring and/or Onboarding solutions renewal fee for each referral that achieves certification.
