

# Introducing LegitScript's RevShare Program

More Certified Customers. Faster Growth. Bigger Rewards.

Sign More Merchants & Grow Your Business with LegitScript

LegitScript is making it easier than ever for your healthcare merchants to get certified, start processing payments faster, and save money—all while you earn valuable discounts applied to your Merchant Monitoring contract.

## Benefits of the RevShare Program

- ✓ Growth for your merchants: LegitScript certification enables merchants to grow their business by advertising on Google, Meta, Microsoft, TikTok, Netflix and LinkedIn.
- ✓ 50% Off the Certification Application Fee for your qualified merchants
- ✓ Earn Rewards – For every certified referral, you get 10% of each certification subscription credited to your Merchant Monitoring contract.
- ✓ Ongoing Perks – RevShare Payments Partners receive exclusive discounted rates, personalized promo codes, and exclusive partner marketing support for high-volume clients.
- ✓ No Extra Work for You – Just send your merchants to the [LegitScript Client Portal](#) with their custom promo code and we'll handle the rest!
- ✓ Stay Informed – Access key updates on customer certifications, application status, and renewal benefits.

## How It Works

1. Refer Customers – Share your promo code with your healthcare merchants.
2. Your Merchant Applies – Merchants receive 50% off their Certification application fee.
3. They Get Certified – LegitScript experts navigate them through the certification process.
4. You Get Rewarded – Once a merchant is certified you earn 10% of the first year LegitScript Certification subscription fee towards your Merchant Monitoring contract.
5. Track Your Success – Stay updated on the status of your RevShare merchants and your credits earned.

“...86% of marketers say Google is still the number one place where customers search for their brand online...”
